

Phone Script for Action on March 14, 2018

Stand together with the voices of students and “call out” our federal legislators to demand stronger gun violence prevention legislation. Please call both California senators (Feinstein and Harris) and your Congressional Representative (listed below). Here is a suggested script for the phone call:

Hello, my name is [insert your name] and I am a PTA member and constituent from [insert your city].

I am "calling you out" today to demand stronger gun-violence prevention legislation including:

- ***Prohibiting the sale and possession of assault weapons including automatic and semi-automatic weapons***
- ***Mandatory background checks***
- ***Waiting periods for all firearm purchases.***

The time for change is now. We need to put politics aside and turn emotion into action. Thank you.
